

With over 15,500 students, four departments with more than 270 professors and more than 1,000 employees in teaching, research and central service units, Frankfurt University of Applied Sciences is one of the largest universities of applied sciences in Germany. "Opportunities through education" is our living motto. Practical relevance, interdisciplinary education, international orientation and regional integration characterize our profile. Diversity and social responsibility are our values. We are sustainable in all dimensions. Excellent quality in teaching and research is our aspiration.

We are looking to fill the following position in Faculty 4: Health and Social Work as soon as possible.

Professor (W2 salary scale HBesG, Hessian Federal Civil Service Remuneration Act)

in the following subject area:

Social space and group-related social work

Job advertisement number P06/2024

The professorship is dedicated, along activities of research, teaching and practice with regard to social space and group related social work, to the development of the profession in social work, particularly with reference to child and youth welfare.

We expect:

- Profound expertise as well as methodological, professional-theoretical and legal knowledge of social space and group-related social work;
- Practical professional experience in the implementation of social space and group-related concepts (e.g. in the context of school social work and/or child and youth welfare and/or child and youth work and/or district work and/or community work);
- Proven knowledge of the German child and youth welfare system in its structures, professional foundations, understanding of the profession and fields of action is particularly desirable;
- Good knowledge of other social service systems, eco-social transformations and intersectional approaches in social work is desirable;
- Critical-reflexive expertise in professional policy debates is desirable, e.g. in the context of funding models, social space budgeting and/or principles of community work; in the (further) development of social space and group-oriented approaches and methods, e.g. in the context of intersectional experiences of inequality and violence;
- As the holder of this position, you will teach in the department's degree programs that match your profile. We require knowledge of and experience with application-oriented methods of action as well as theory-practice transfer.

Professional profile:

- Studies in social work, educational sciences, social sciences, transformation studies or comparable degrees.

Applications should include the usual informative documents (incl. CV, list of publications, projects, description of previous teaching and research activities) as well as

- a teaching and research concept for the advertised position comprising a maximum of three pages, including your understanding of teaching and teaching methods and the teaching and research content you consider relevant to the topic of "social space and group-related social work" and
- two publications relevant to the subject area of the advertised professorship.

The ability to teach in German is a prerequisite.

The position is available for an unlimited period of time. When first appointed to a professorship, employment is initially on a probationary civil service basis or on a permanent employment basis with a three-year probationary period.

Conditions of employment, further duties and prerequisites result from §§ 67 - 69, 75 and 76 of the Hessian Higher Education Act; to be viewed at www.hmwk.hessen.de.

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age, and sexual orientation and identity. People with disabilities are given preference in cases of equal personal and professional suitability. As a holder of the "Family-friendly University" certificate, the university will take your individual family situation into account when organizing your working hours.

Applications with the usual informative documents (incl. list of publications, projects, description of previous teaching and research activities) are requested **by April 07, 2024**, quoting the reference number, by e-mail to info-prof@hr.fra-uas.de (please send all documents in one PDF file):
